

"THE WYCHWOOD"

Vol 1, No 2

June/July, 1980

Price 12p

We now have some 660 annual subscribers. This is very good and once again we would like to thank all those devoted people who have helped to make our little venture a success.

There is still room for improvement and contributions of every sort are welcome.

We are including in this number a map of the area for the benefit of newcomers to the villages as well as our many summer visitors. We hope to include other maps in later issues, showing footpaths and places of local interest.

The August/September issue will be on sale on 4th August, and the deadline for copy is 19th July. No copy can be accepted after this date, but equally we cannot guarantee to find space for all contributions.

Have a happy holiday in the sun!
