

The Wychwood

June - the month of roses and real beginning of summer.

Strawberries and cream at Eton on the Fourth, when the boys celebrate George III's birthday; and on quite a different note, the Birthday of the Church which we celebrate at Whitsuntide on the 7th.

And of course there are weddings in the air - or at any rate one Special Wedding. At the end of July we shall all be wishing good luck to Prince Charles and his bride. 'Her Royal Highness the Princess of Wales' - how strange it will sound! We have not had a Princess of Wales for 70 years.
