

THE WYCHWOOD

Editorial

Well done Grace! - Mrs. Grace Rawlins of Milton-u-Wychwood was runner up in the Midwife of the Year Award organised by Maternity and Mothercraft Magazine, and Griptight, the baby product company. She was awarded a special certificate to record this achievement. Mrs. Rawlins trained as a nurse in the 1950s, and for many years worked as District Nurse in Milton before working as a midwife based in Chipping Norton. Her daughter will be following in her footsteps when she commences her nurse's training in a few months time. It is nice to know that her special qualities so appreciated locally have been recognised nationally.

The Best Kept Village Competition is here again, judging taking place between April and July - let us take a real pride in our villages and see what we can achieve. We are lucky to have many rights of way in the fields around our villages. Please remember your 'right' is only along the footpath. It is frustrating for landowners, often maintaining a good footpath, to have fields trampled and crops spoiled. Please shut gates and remember that litter can kill animals.
