

WYCHWOODS SURGERY - THE LONDON MARATHON

As a rider to my report in the last edition of the Wychwood Magazine, I would just like to inform those who may be interested, that thanks to the generosity of the people in the Wychwoods and surrounding area, the sum of £4,450 has been collected. As the response was so good, in addition to the original charities specified, donations will also be made to selected Wychwood charities.

I would like to take this opportunity not only to thank those who contributed, but also all those who helped with the initial promotion effort and subsequent collection of the sponsorship money.
