

VICTORIAN FAIR SHIPTON-UNDER-WYCHWOOD JULY 23RD.

A truly combined effort for which we would like to thank the many local organisations which joined with the Hall and Recreation Committee to raise money for new play area equipment.

The showers kept us on our toes and added somewhat to the excitement of setting up in the morning!

Fortunately only one shower waited for the afternoon, and that timed itself nicely to drive people into the church for afternoon tea.

Everyone seemed to enjoy themselves, but also managed to raise the sum of £1,234.66 - a very encouraging start for the project.

Thank you all very much.
