

MILTON-UNDER-WYCHWOOD EVERGREEN FELLOWSHIP

The opening meeting of the 1992 season takes place at Milton Village Hall on Friday April 10th at 7.00 p.m. as a Social Evening. At this meeting members renew their membership and new members are welcome. The annual membership fee is only £1.25, and this introduces you to a programme covering twenty-three events culminating in the Christmas Party. A charge of 25p is made at meetings to cover the cost of refreshments and a raffle ticket.

During 1991 our outings included a Mystery Tour of the Cotswolds, covering places many of us had not seen before, a glorious day at Weymouth, a visit to Westonbirt Arboretum and a shopping trip to Swindon. We were transported to far away places by the magic of the Slide Projector to Canada, Derbyshire, Switzerland, Sutherland and Yorkshire, while a film showed us what life was like in Oxfordshire in 1946. Other entertainment included Speakers, Musicians and Singers — we try to include something for all tastes.

At each meeting we have a lively Bring and Buy Auction, often the high spot for many. What is your favourite, or do you just want to spend an evening in good company? Come and help us make 1992 even better.
