Saturday May 30	Oxfordshire Country Fayre

Ascott have been doing very well in the County Young Farmer competitions this year. We came 2nd in the YFC Drama competition. Local Juniors and Seniors both showed their talent on the stage. The Lads came 3rd in the County football. We came 3rd in the mixed Ten Pin bowling and did well in the County badminton. We are looking forward to the Oxfordshire Country Fayre on May 30th at Cray's Pond, near Woodcote. This is a good day out for all the family. The Young Farmers take part in competitions and have a lot of fun. Ascott is going to be hosting this event in 1994.

Thank you to everyone who came to our disco at Milton Village Hall. If you would like to go to some more discos, balls or dinner dances and meet a fun loving crowd, join the Young Farmers Club. We have an ever increasing membership of people aged between fourteen and twenty-six. Our meetings are held at the Swan, Ascott-u-Wychwood on Tuesday evenings, 7.55 p.m. start. For more details please phone Duncan or Ruth on (0993) 830790 or drop in at one of our meetings.

Miss R.L. Fenton.

GREAT STRIDES

CYSTIC FIBROSIS (CF) is the most common hereditary disease in Great Britain. It is a life threatening disease which affects babies and children. There are approximately 250 CF births each year and sadly three precious lives are lost each week. There is hope that a cure for CF is within reach and this is why the 1992 theme is "We're making great strides".

No need to stride, just walk to the **CAKE STALL** on Milton Village Green on Saturday, 18th April from 9.30 a.m. Support CF research, help to find a cure.

Nationwide CF week is 18th to 26th April.
