

SHIPTON-UNDER-WYCHWOOD EVERGREEN CLUB

The talk and slides given by Dr. Scott proved very popular, and we are grateful to him for giving us his time on his day off! The trip to Worcester - a popular venue with the Club - was taken on a lovely sunny day, when we could enjoy the countryside to the full.

We usually have some spare seats for our trips, and if anyone is interested in joining us, please ring Mrs. C.Carpenter on 830580. Similarly, if anyone over 60 would like to come to any of the meetings, they can be assured of a warm welcome.

The August and September programme is as follows:-

WYCHWOOD BOWLS CLUB

The bowling season got off to a good start with fine weather in May. Many members entered the County Competitions, but most have now been knocked out.

Barbara Pearce put the Wychwood Bowls Club on the map by winning the Oxfordshire Champion of Champions, beating a County and National player. It was a very close match with Barbara winning 21-20. Congratulations have been expressed to Barbara from many people, and although she did not get her photo in the paper, there was a small report on the back page of the evening paper.

The club has about 51 paid-up members this year, but not all of these people play in our club matches, so anyone who would like to have a go at bowling, please come to the green behind the Shaven Crown or give me a ring.

We do need some young players so that we can continue our club in years to come, and hopefully, next year we will organise some evenings for people who are interested. Although we always play to win our games, they are very friendly as is the club in general.
