

# The Wychwood

We would like to record our thanks and appreciation to Dudley Hopkins who has now retired from involvement with the production of the magazine.

As a founder member, former business manager, collator and distributor, we have valued his enormous contribution. We have fond memories of him having to 'control' a recalcitrant band of collators! I would like to add my personal thanks for the help and support he gave me when I first became involved as secretary.

Once more we have seasonal entertainment with the Shipton W.I. presentation of "Dick Whittington" (see page 6). Over recent years we have come to look forward to these excellent productions which always provide such an enjoyable evening of family fun and laughter. We recommend early booking.

With the mulled wine recipes (p 9), and a walk to help overcome the effects of Christmas Fare (p 20 + 21), we wish you all a Merry Christmas.
