WYCHWOOD BOYS AND GIRLS FOOTBALL CLUB

We have been very pleased with the number of boys and girls who have joined our club to play football. One or two teams are struggling a little in very hard leagues, but on the whole we are playing very good, enjoyable football.

Our fundraising has gone very well. The Children's Disco was enjoyed by all and raised £32 for club funds. The Sponsored Cycle Ride was not as well attended by parents as we had hoped, but the few who did take part raised approximately £400 for the Club. A special "Thank you" to those who took part but have no child actually playing.

On the 17th October, the Girls U13s were in a final at the Manor Ground, Oxford United v South Parks. Despite being nervous at playing in front of 4,000 people, they put up a very brave effort, just losing 1 - 0 in extra time. This was quite an achievement as they have only been playing together for eight months.

If there are any girls wishing to play, come along to our training sessions on Thursday evenings at Wychwood School, or telephone Kevin Brown on 831302.

Our fundraising for the next couple of months:-

BINGO - 27th November in Milton Village Hall at 7.30 p.m.

COW PAT COMPETITION - 27th December, following our Mums v Dads match on Milton Village Green. Tickets are £1 with a chance of winning £200.

If you would like to enter, please contact me.

Two more special "Thank you"s we would like to make are:-

F.W.P. MATTHEWS Ltd. for their donation to the Club.

CARTERTON BUILDING SUPPLIES for sponsorship of half the U12s new football kit.

If anyone would like to know anything else about the Club, please ring me on 830076.

Julie Hemming, Secretary.

CHEMIST BABYCARE GIFTS - A most surprising shop. Wait for Christmas treats! - at Breakspeare House, Milton-u-Wychwood. Tel. 830832

SECOND THOUGHTS - Quality, "as new" children's clothes, maternity wear and baby equipment. Open Wednesdays. Merchandise accepted at all times.
