

## WHO CARES?

**WHO CARES?.....WE DO!**

**WHO ARE WE?....** We are the **VOLUNTEER CONNECTION**,  
the Volunteer Centre for Chipping Norton and district.

Every request for help that we get from someone in need, is given careful consideration and a suitable volunteer is found to assist if possible. They will feed your cat or walk your dog if you can't do it yourself, take you out in a wheelchair when the weather is fine, collect your pension for you, take you to the doctor or hospital by car, help you with your letters if you are blind, tidy your garden, put up your pictures, or just come for a friendly chat; the list of requests we receive is interesting and endless.

**BUT.....**we have one problem: in the area covered by The WYCHWOOD magazine we only have **ONE** volunteer on our register!

Could **YOU** spare some time, however short, to help us meet the needs of people who are unable to help themselves? Would you be prepared to use your car to take a disabled person shopping? (a mileage allowance is paid). Would you like to join in some of the many other activities through which we try to serve our community? There will be no pressure on you to over-commit yourself; you alone decide how much you would like to do.

If you would like to register as a volunteer (or are in need of help), we would be very pleased to hear from you. Just leave your name, address and telephone number on our Answerphone or with the volunteer on duty, and we will get in touch with you.
