The Wychwood

WAS DELIGHTED with the overwhelming response to my request for articles about the Barrier Reef and from those who brave 'foreign parts'. It must mean that we have at least six readers! We will be using them in this and subsequent issues. Thank you all very much. Please keep them coming, and anything else you feel will be of interest to our readers—it is your magazine.

In a previous issue we included an extract from the new laws regarding wandering dogs, the illegality and penalties. Judging by the experiences of our 'country diarist', it may be appropriate to offer a reminder.

We wish you all a very happy Christmas and a peaceful New Year.

Articles for publication in the February / March issue should be submitted to the Editor at the address below, by 7th January 1995.
