

## **ROYAL BRITISH LEGION ANNUAL BAZAAR**

The Burford and District Branch of the Royal British Legion, which includes the Wychwoods, held their Annual Bazaar in the Warwick Hall, Burford on September 3rd last. The weather was not kind to us but the function was well attended and the sum of £1,600 was raised.

The Committee would like to thank all those generous people who contributed items that made the end result such a success.

## **MILTON-UNDER-WYCHWOOD ALLOTMENTS AND GARDENS ASSOCIATION**

I have finally made it, having been on the sick list again, and then on holiday, but here I am at long last. I am very sorry for the delay, but if you will all bear with me I will try to bring things up to date.

The Show in August was a great success with a good selection of exhibits but sorry to say, not so many handicraft entries as expected – but all were of a very high standard. The vegetables and flowers were of the usual high quality we have come to expect; two cucumbers were awarded 'Best in Show' – I personally have never seen anything like them, they were superb, even the flowers still remaining on the end of each.

The rest of the Trophies were awarded as follows:-

THE PRESIDENT'S CUP for vegetables  
THE VEGETABLE SELECTION CUP  
ASSOCIATION CUP for Fruit  
THE WYCHWOOD TROPHY for Flowers  
MILES-BROWN CUP for Roses
