

## THE ART PAGE

**OSPREY STUDIO in FIFIELD** has joined forces with **THE ACE CENTRE** in Chipping Norton to develop an inspiring series of pottery and sculpture classes and workshops.

One of the wonderful things about clay is that there are so many ways of using it. There is bound to be a way that would suit you - the trick is finding it and then fitting it to your life style.

Our class is very relaxed. All sorts of people get together to try out their ideas and find their own style.

The **RAKU WORKSHOP** is definitely the quickest, most exciting way to find out if clay is for you. You get a real insight into how potters actually work -from making to glazing to firing, right before your eyes! And the results are invariably gorgeous!

**Summer Term Pottery and Sculpture Class**, Tuesdays 9.30 a.m - 11.30 a.m. (crèche available) 7.00 p.m. - 9.00 p.m.

Eight weeks from April 25th to June 20th £24 + materials.

**RAKU Workshop.** A whirlwind tour of pottery! Two parts;

Making Day, Sunday, 30th April, 10 a.m. - 1 p.m.

Glazing and Firing Day, Sunday, 14th May, 10 a.m - 3 p.m.
