

WYCHWOOD BOYS FOOTBALL CLUB

We are now coming towards the end of the 94/95 season. Our teams in the Witney and District League are now playing in a League Cup and some have a few games to catch up on due to the bad weather. We are pleased to say that we have had six players play for the Witney and District Representative teams and one player has signed for the Oxford United School of Excellence.

We are providing football for about 110 boys ranging from 6 - 14 years old and we would like to thank their Managers for all the hard work they put into running these teams. Next season we are likely to be in need of new managers and some new committee members.

Would anyone be able to help us? If you could spare some time,
please Tel. 01993 830076

THE VARIETY CLUB OF GREAT BRITAIN GOLDEN HEART DAY 1995

My heartfelt thanks for the support of Mr and Mrs Naish, Mrs T Pratley, Jean Selby, Mr Bigg (dental Surgeon), and Janet and Debbie (Milton Service Station) in selling Golden Hearts. The village raised £149 for this very worthwhile children's charity. My thanks too, to all of you who bought the beautiful Golden Heart of 1995.
