## R.S.P.C.A.

Cruelty to animals is a subject at the forefront of our minds these days as so many efforts are being made to relieve suffering. The effect of the National Lottery has inevitably been felt by the numerous charities which attract our sympathies but in Shipton-under-Wychwood there was great encouragement for our efforts to collect for the R.S.P.C.A. Last year the total was £459 and this year £443 which is very close.

I should like to thank all the local collectors here who include:- Mrs Beaumont, Mrs Hoskins, Mrs Pilcher, Mrs Winternitz, Mr Yates and Mrs Young. They join me in warmly thanking all those who gave so generously.

Mrs Hickman of Ascott-under-Wychwood organised the collection there and a total of £177.64 was achieved. Mrs Groves of Milton-under-Wychwood arranged for the collection there and £89.14 was given.
