

## A PLEA FOR HELP

In aid of the New Village Hall I am preparing a talk/slide show on the 60 years of change in Shipton between the 1930s and 1990s. This talk will be given sometime in 1996.

Has anyone any photographs, artifacts or ephemera etc. from the 1930s and 1940s which I might borrow so that I might make copies. Especially useful, apart from photographs would be letters, diaries, bills and receipts, account books and locally made artifacts.

If you are willing to lend me any suitable material will you please contact John Rawlins, Sunnyside, Shipton Road, Milton. Tel 830668 who will be very grateful.
