WYCHWOODS HOSPITAL TRANSPORT SCHEME

This voluntary scheme has been in operation for a number of years now. I am sure I speak for all those who have needed to use the transport that a courteous, competent, helpful and first class service has always been offered by our drivers. Originally I had the task of arranging all the transport from the surgery. However, as this became too time consuming, the organisation was passed to village representatives:

Mr T. Barrett (Milton) Mr J. Cliffe (Shipton)
Mrs G. Guntrip (Ascott) Mr T. O'Brien - Treasurer

Since Mr Barrett's retirement, Mr O'Brien organises the Milton area.

My gratitude to these people is immeasurable. They have done, and still do, a magnificent task and I know there can be difficulties, especially at holiday times. My thanks are also expressed to all those who have given their time and talents in fulfilling the journeys for those in need. Without them there would be dreadful problems in getting people to hospitals and clinics.

Thirdly, may I thank all who have made donations in support of the scheme.

BUT my plea is now for more people to volunteer so that this scheme can continue to work effectively. We desperately need more drivers NOW.

Please contact the following if you want to know more or would like to join the scheme.

Mr T. O'Brien (Milton) Tel. 831802 Mr J. Cliffe (Shipton) 831610
Mrs D. Guntrip (Ascott) 830615

NB. The more people who offer the greater the load is spread.

Janet Wallace.
