The last year has been a particularly successful year for many of my piano and music students. Not only have they achieved commendable results in national exams but several pupils have also had the opportunity to take part in various music festivals. A special mention of Christopher Cathing, Elysia Ridley, Alexander Dyakowski, Adam Smith and Duncan Smith who gave worthy performances at this year's festival in Chipping Norton. Congratulations to Christopher Catling who was invited to play two jazz pieces at the final concert.

Plans are currently in hand for our Autumn concert which will take place on Friday 6th October at 7.30 p.m. in Milton Baptist Church. Mr Ken Johnson will be our guest artist for the evening and a warm welcome is extended to everybody.

Admission is free and if you would like further details please contact me. (Tel.01993 830991)
