## S.O.S. SAVE OUR SANTA

The Teenage Activity Group (TAG) at Milton-u-Wychwood Baptist Church performed their Christmas Pantomime on the 21st, 22nd, and 23rd December 1995. This original pantomime, S.O.S. Save Our Santa, was written and directed by Adam Pepper with some very fine performances by our young people.

Each performance got off to a good start with the children from the Junior Activity Group (JAG) singing a variety of Christmas songs.

The pantomime story centred around Santa Claus who was kidnapped while appearing on a chat show, by the wicked Baron Kartoffelkopf. His rescue depended upon our hero Jim, and some very dubious SAS soldiers, under the leadership of a rather loud General Blunder Trombone.

There was much fun and laughter with the audience, who took an active part, and needless to say, Jim saved the day and Santa was rescued, enabling him to deliver his presents on time.

All the hard work and rehearsals paid off and everyone agreed it was a great success!
