

## WYCHWOOD FOOTBALL AWARDS NIGHT

was held at Milton Village Hall on Saturday evening 18th May.

The Chairman of the Club, Arthur Hunt, opened the evening by thanking Robbie Mustoe, ex Burford School boy who now plays for Premier League side Middlesborough, for coming along to present a trophy to each boy in each team. The Club has 125 boys playing football in the under 7, 8, 9, 11, 12, 14 and 15 age groups.

The Village Hall was full to capacity and the evening ended with Robbie agreeing to get Middlesborough Brazilian players to sign a shirt which was raffled.

### R.S.P.C.A. COLLECTION

Collecting donations house to house is often not the most popular method of assembling funds, but this year's successful effort was most rewarding. In the first instance, one met many old friends as one went from house to house and made fresh acquaintances in some parts of the village.

The friends who so ably assisted our work were Mrs. Beaumont, Mrs. Hoskins, Mrs. Pilcher, Mrs. Winternitz, Mr. Yates and Mrs. Young. The total amount collected was an improvement on last year and reached £570. I should like to thank all those who contributed so generously.
