

FIFIELD VILLAGE HALL

It was a beautiful, sunny day for the Village Garden Party on Saturday 13th July. Tresle tables under apple trees were laden with plants and books. There were delicious cakes, too, though these barely had time to reach the table before they were sold! The lucky dip was popular with the children – the adults preferring to take their chance with the raffle! A big thank you to everyone who came to support the event and who helped in whatever way – moving tables and chairs, baking, raising plants, helping on the day – to make it a happy one for us all.

Our next function is the BBQ on Saturday August 17th. This will be at Nicki Sisson's house, "Sunny Bank" in High Street, from 6.30 pm – early for the benefit of the children. No tickets are needed, but if you plan to come, it would be a great help if you could let one of the Committee know.

A new venture in the village, led by Guthrie Piggot and Mr. L. White, is to research the history of Fifield. There are two groups, one looking at the more recent history, since the publication of Mrs. Goshawk's book, and the other delving deeper into the past. We should be glad to hear from anyone, whether living in Fifield or not, who has interesting memorabilia or 'tales to tell' – or bright ideas for sourcing.
