

GIRL GUIDES CAMP.

We camped at Wilcote Farm, we were beside a big lake in the middle of nowhere. When we got to the camp site, we pitched our tents that we were sleeping in also our toilet tents, which were a pain because they took a while to put up. We also had to put the portaloos in which the adults emptied and saved us a job. (Thanks!)

On our second day the Finstock Brownies came to see what camp was like and had lunch. On Sunday we walked to Wilcote House. (It was a very long walk). We had lunch in one of the big open trees. Later we played some games (unfortunately it was raining). Then we walked back to the camp site but on a quicker way. Back at camp we had tea, we sang some songs and read some prayers.

On Monday after breakfast and lunch we took down the tent. Mr Adams kindly took all the equipment back to Milton where it is stored. The camp was great fun and we all had a good laugh. (We have not mentioned the nights, as we were very good,--not!) Thanks to Mrs Halliday, Tracy Wilks and all the other helpers.

P.S. We are still looking for someone to help Tracy on a Wednesday, otherwise Guides will be closing down.
