MELLOW HOUSE

After our very successful camping trip to the Forest of Dean we have made tentative plans for 'Camping II, The Sequel', but we would like more young people to come along to the club and join us. Everybody who went had a great time and we would like to make the next one bigger and better, so come along and join in. Go on, try us.

I would like to thank certain people personally for all their help and support. So here we go:- Mr and Mrs Pierce, for everything and for being there. Simon Bustany, Kelly Day (for being so popular) Gary Cross for use of himself and car and our anonymous benefactor for his £100 donation and his time.

We need all the money we can get, so all donations will be gratefully accepted. The more you can give (parishioners) the more we can do.

On a personal note I would like to say how much I have enjoyed my time at Mellow House and that I will stay closely involved. I would personally like to thank everyone involved in any way but especially all of the members, new and old.
