

POLICE NOTEBOOK

FOLLOWING a recent meeting in June, seven Neighbourhood Watches are being set up to cover some of the streets in Ascott-under-Wychwood. Jane Taylor the Banbury Area Watch Co-ordinator came to the Tiddy Hall and gave a brief and informative talk, dispelling many of the myths and rumours that have circulated our villages concerning Neighbourhood Watch.

Neighbourhood Watch is involved in Crime Prevention and Detection. It is not connected with road traffic offences or parking problems. Neighbourhood Watch members would be expected to be alert and respond to what is going on in their neighbourhood. In the Banbury area, of which we are a part, we have a Ringmaster system which enables you to pass information to us directly and also enables us to pass information to you.

Unfortunately our area is becoming a haven for travelling criminals, therefore we need your support by supplying up to date information.

Valley
Police

If you are not in a Watch scheme and feel you want to start one or join one, ring Jane Taylor on 01865 266654 and learn the facts.

WE NEED YOUR SUPPORT.

Crime Busters Review

Between 13.30 and 16.00 hrs on Tuesday 16th July 1996 a burglary occurred in Frog Lane, Milton-u-Wychwood whilst the owners were in the rear garden. Intruders made off with silverware. It is believed a car was parked near to the junction with Forest Close. Do you remember seeing somebody sitting in a car around this time? Any information will be treated in confidence.
