

DREAMS

Often times I sit and dream
Of the many things I might have been.
An airline pilot flying high,
Making trails across the sky.
To worldwide places in my jet
Or maybe I'd have been a vet.
Tending animals like cats and dogs,
Some people even keep pet snakes and frogs.
I've thought about a soccer star
With lots of fans and a big flash car.
Or to be a star on a TV show,
But what I'd do I do not know.
Climbing mountains might be alright
Until I thought, I don't like heights.
A Grand Prix driver using all in skill,
I might even beat William's Damon Hill.
One thing I never dreamt I'd be
Can you guess? It's an M.P.
I expect like me you all have dreams,
And hopes, these are the things it seems
That keep us going day by day
And keep our chins up come what may.
But all these dreams will never be,
I'll never be anything else but ME!
