

### **Coca-Cola Fun Week**

Wychwood Boys F.C. once again hosted a Football Funweek on Milton Green during the summer holidays. About 40 boys and a girl enjoyed learning football skills and taking part in six-a-side games.

### **Shipton-under-Wychwood Evergreen Club**

The talk by Melanie from the Chipping Norton Veterinary Surgery, was very interesting, and the outing to Tewkesbury included a return visit to the Twyford Garden Centre at Evesham, where many returned to the coach with lots of shrubs etc. Then the musical quiz by Mrs Jean Rose proved a real brain twister, and the outing to Salisbury was changed to a mystery outing by popular request. This time we went mysterious ways to Hungerford for a cuppa, and on round to finish at Moreton-in-Marsh for the usual fish and chips. Unfortunately, due to insufficient numbers this will be our last outing, and on September 18th Mrs Masters talks about her Bevy of 3000 buttons, accompanied by slides.

Our programme for October is as follows:-

October 2nd Mrs B.Pearce with a cookery demonstration.

Competition: Six fruit scones.

16th Harvest meeting. The Entertainers from Minster Lovell.

30th Church Service.
