

## OPPORTUNITIES FOR WOMEN

### ARE YOU:-

Unemployed, unwaged or in low paid, part time work and looking to improve your prospects by education or training?

The WEA, in conjunction with Oxfordshire Community Education are offering an exciting programme of FREE courses in West Oxfordshire to help you

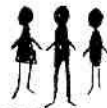

- \* Build your confidence
- \* Recognise and develop your skills
- \* Find out about educational and employment opportunities
- \* Meet new people and widen your interests

These courses run for 2 hrs per wk for 6 wks (not in school holidays). Most centres will have a free crèche (or we can help with childcare costs) and disabled access. The table below gives a list of times and venues.

## WESTERN CORNER - LINK FAMILY SCHEME

**The Children's Society**  
MAKING LIVES WORTH LIVING

Western Corner in Witney is looking to increase the amount of care that it can offer through it's LINK FAMILY SCHEME.

What is Western Corner? It is a small project which offers residential and community services to children with learning disabilities and their families. The LINK FAMILY SCHEME recruits carers to look after these children in the carers' home, for one weekend a month, daycare or overnight mid-week breaks. Not only does this provide a break for the child's family, but it also allows the child to build up new relationships.

No previous experience is necessary as continual support is always on hand and thorough training is given. All expenses are paid and any special equipment is provided. Rachael, Janet and Robert welcome any enquiries on Witney (01993) 706404
