

Ascott-u-Wychwood Y.F.C.

It has been a while since the last report was printed from the Young Farmers so this report is in the way of an annual round up of all that the Club has been up to.

Firstly we have been fairly busy on the sporting front competing in the badminton, where one of our members came third, we also came third in the senior quiz, just being a few points short against Henley to make it into the final. We also entered a team for the aerobics competition which we won at both County and Area level which put us into the National Final at the Royal Show. Out of the ten or so entries we were placed third which was an excellent result for the Club especially as Rebecca, who was the instructor, was due to have her baby the next day. We entered a team for the junior Country Spotters competition which did very well coming again third. So well done to Emma Timms and Vicky Badger

Other competitions entered were the rounders, super quiz and the tennis, where Paul Carrington won the men's singles. Everyone who has entered has had a good time. Socially we have, as always, been fairly active attending many discos, balls, parties, going to the cinema and having quite a few BBQs throughout the year. All of which have been great fun and will continue all through this next twelve months

The weekly meetings have been good and varied including, a clairvoyant a visit to a brewery, a talk on the enviroment, blood transfuslon talk and through the summer a few games of rounders and aunt sally. This year at our A.G.M. I stood down as Chairman, which John Woolcock has taken over, and I have taken over as the programme secretary which involves sorting out the year's weekly meetings. I have organised quite a few so far which include a talk on the Guide Dogs for the Blind, a hypnotherapist, a crime prevention night and a few more, yet I am still looking for more so if you have a skill that you would like to share with the club, from cake icing to bell ringing, please give me a ring on (01993) 830221 or if you would like to know more about Y.F.C. phone me or John on (01608) 676617.
