

### **Full marks for Scarlette.**

After only three years of piano tuition, eight - year old Scarlette Matthews of Shipton-under-Wychwood recently gained full marks for her piano pieces in her second piano examination. She gained a very high honours mark, surpassing the honours mark she had gained for her first examination.

Her teacher, Winifred Swann of Littlestock House, Lyneham Road, Milton-under-Wychwood, herself an examiner of Piano and Violin, said that it is exceptional for a candidate to be awarded full marks; it indicates a special musical talent.

Many of Mrs. Swann's former students are now professional musicians, some passing their Diplomas as her pupils, others continuing their studies at the Guildhall School of Music & Drama, of which Mrs. Swann is herself a past student, Associate and prize-winner.
