

## **A MESSAGE OF THANKS**

I would like to express my thanks for the kind messages and for the many beautiful cards, presents, flowers, money and tokens which have given me so much pleasure. Also for the anonymous donations of over £350 which were collected at Milton Post Office.

I am totally overwhelmed by so much generosity and am thoroughly enjoying selecting plants for the garden and valued books. I have also purchased a new bicycle - some of you may have seen me about in the villages on this - and a pebble pond and pump which I am looking forward to installing soon. The remainder of the money will go a long way towards buying a new radio/CD/cassette player to replace my current music centre which is suffering from old age.

I would also like to thank Hugh Fairgrieve for his kind words printed in the last Wychwood Magazine.

Although I am really enjoying a busy retirement I do miss 'my patients'.

May I again repeat my very sincere thanks?

Janet Wallace.

## **NEW VOLUNTEER PROJECT GETS UNDERWAY AT THE CARERS CENTRE**

A new volunteer project, funded by the National Lottery and coordinated by Jenny Magee has just got underway at The North and West Oxfordshire Carers Centre.

Jenny, who has worked on several volunteer projects during her career aims to recruit volunteers to help with all aspects of work done by the Carers Centre. With more volunteers the Centre can reach out to more Carers. Jenny will also be looking at ways services to Carers can be increased with the help of volunteers.

The Carers Centre is looking for volunteers with a little time to spare to be Carer Information Contacts in their local area and volunteers to help with reception and office jobs at The Carers Centre in Banbury. Training, support and out of pocket expenses are offered.
