

Wychwood Playgroup

Wychwood play group has been run in Milton village hall since 1968. This means that it is an integral part of the community. I myself moved to Milton in 1993 and it was the play group that enabled me to meet Mums and to begin to feel a part of what I now know to be a thriving and sociable locality.

The play group is run by a trained supervisor and an assistant at each session. We also have two carers on rota. This means that even when we are at capacity there is a ratio of one adult to six children! The play group runs from 9.30 am until 11.45 am on a Monday, Tuesday and Thursday. It is open for all children from the age of two and a half to five.

We provide a varied list of indoor and outdoor activities including play dough, painting, reading, play-mobil, jig-saws, trains, a sandpit and a climbing frame. Every day the children have a drink and a biscuit and they have a story and singing time. As an introduction to learning it is wonderful and my own two children have both benefited enormously in different ways.

If you would like to come along to a session or find out more please give me a ring on 01993 831562.

Sally Poulten, Chairman.
