

# The Wychwood

**W**E ARE TOLD that the building of Shipton's new village hall is to start at last. It has indeed been a village success, but as always a small group do the lion's share, and we thank and congratulate them all. With so many people involved, it is difficult to single out anyone in particular, but our bard's subject is the fund-raising committee and I think this would be an appropriate moment to mention one person who has done so much for that essential committee – the chairman, Mrs. Margaret Hartley. Her determination, inspiration, hard work and leadership motivated all the members of the fund-raising committee with quite outstanding results. Thank you for all you've achieved.

We occasionally receive interesting articles anonymously, which means that we cannot use them. The name does not need to be included in the magazine, but we must know who has submitted the article. Please keep them (the attributable ones) coming.
