

A Message to "Friends at Shipton".

My most grateful and sincere thanks to all of you for the most unexpected and very generous cheque for £557 which I received from Malcolm Cochrane during my afternoon visit to the Shipton Evergreens Club on 11th June. I was totally overwhelmed and amazed at this wonderful surprise and for once words failed me (almost), as they seem so inadequate.

At a suitable time I hope to purchase a desk/chest in which to store the increasing amount of paper and information involved in all my hobbies and interests.

Again, thank you ALL for a wonderful retirement present and beautiful card.
