

## **Our Committee**

I belong to a committee formed for fund raising  
And our total so far is really amazing.  
The last four years have been hard work but fun.  
With the target nearly reached our work is nigh done,  
The events have been varied some large and some small  
But they all raised the gauge on the village hall wall.  
We've had a hot air balloon and a village hall draw,  
And our "Gardens Open" day caused quite a furore,  
Just because they were shown on national TV  
They seemed the in thing for everybody to see,  
Our fetes every year have given people some fun,  
The pantomimes too with their five performance runs,  
Ditchley Park visits and a fashion show too.  
Many of these things I must say were due  
To the push of our chairman who led us so well,  
She urged and cajoled us, gave us the hard sell.  
Many events I haven't mentioned but I haven't forgot  
The hard work and energy that cost us a lot  
Of energy and time, but we worked as a team  
Our target to reach, and bring life to our dream  
Of seeing the new hall standing proud on the green.

Jack W.

## **FIFIELD VILLAGE HALL**

With such wet summer weather hovering around we are hoping that the rain will have blown over by 19th August when we meet at "Sunny Bank", High Street for our summer barbecue. We start at 6.30 pm, for the benefit of families with young children, and everyone is welcome.

Tickets are available from Committee Members, or ring me on 831385 to say you'd like to come – just to help with catering arrangements.

Don't forget our Coffee Morning and Bring and Buy on 20th September.

Full details of this and other events in the autumn will be available soon.
