

## POLICE NOTEBOOK

**N**OTHING REMAINS the same for very long in our modern changing world, and Thames Valley Police are no exception. As from the beginning of November area beats have been altered to meet the requirements of public response and manpower.

Pc Ray Mayo is retiring and his beat has been divided up and shared between the three remaining area police officers. The extra police officer will be used to provide greater cover for Chipping Norton town, giving them two town police officers plus shift cover.

As a result, I now cover fourteen parishes instead of nine that I covered before. The parishes covered by myself now are :

Ascott-under-Wychwood, Bruern, Chadlington, **Chastleton**, Chilson, **Churchill**, **Cornwell**, Fifield, Idbury, **Kingham**, Lyneham, Milton-under-Wychwood, **Sarsden** and Shipton-under-Wychwood. The highlighted names being my new area.

I would ask that you are a little more patient when calling, as it will take a while to get familiar with my new area.

**Thames  
Valley  
Police**

I would like to take this opportunity in wishing everybody a Happy Christmas and most of you a prosperous New Year.

### CRIME BUSTERS REVIEW

Theft from cars is again on the increase, insecure cars with valuables left in sight are an easy and tempting target. Handbags tucked under seats may seem secure but often these are taken with relative ease. Few cars in the Chipping Norton area are stolen, most are broken into for their property which is usually loose inside the car.
