

"Of big game viewing, and bird watching too".

Milton - Under - Wychwood Allotment and Garden Association.

The November meeting was very well attended with over 50 members and several visitors present, the talk on "Winter Patio Containers" given by Donald Everitt was really excellent with some very good slides.

Everyone present marvelled at the number of plants and small bulbs that he put into one container to give variety of colour, size and shape and to last over a long period.

The complete container was very generously given by Mr Everitt to be raffled and the proceeds are to be used to purchase plants, seeds and bulbs, etc. for the Association's project to help the Wychwood Nursery School improve their garden.

The "Cheese and Wine Evening" was held on the 21st January 1998.
