

Wychwood Branch of the Royal British Legion

The Wychwood Branch enjoyed a first-class Christmas lunch in the Quart Pot in December.

Our Chairman, Mrs. Cecily Miller and Treasurer, Mrs. Phyllis Hepdun are seen here with the Dryden Fortey Trophy, which was presented to our delegate at the Annual County Conference for its donations raised through the year for the Benevolent Funds.

We thank all those who helped make this possible.

Joan Prew, Secretary.

League of Friends of MacIntyre Tall Trees.

The League of Friends reported a successful year at their AGM held in February at Number 7 Wychwood Business Park, the day centre for the residents of Tall Trees. The Friends, who provide holidays and comfort for the eleven residents, have decided not to hold a fete this year because it is no longer possible to hold it in the garden at Tall Trees, mainly due to the lack of car parking. Instead it is hoped to hold a concert next winter in the new hall in Shipton.

The annual Jumble sale held in Milton village hall will be on 25 October.

The Friends are always pleased to welcome new members, subscription £2 minimum. Contact David Yates (831078)
