

A DREAM FULFILLED

After four years hard work it now can be seen
 Our marvellous new hall standing proud on the green.
 A shining example of what can be done
 With grit and determination and also some fun,
 Lots of events were held and enjoyed by so many
 And I think they all got full value for money.
 So let's have a look at where it all went
 On all the facilities that are there for our use,
 There will soon be a programme from which you can choose.
 If you're a fitness fanatic there is gear just for you,
 Short tennis, bowls, aerobics, and badminton too.
 Good changing rooms and showers all sparkling clean
 Will make a good atmosphere for any visiting team.
 And the local thespians can put on a show
 In much better surroundings than just one year ago.
 The ladies also have been catered for too
 In a fine large kitchen with everything new,
 They can now display all the various confections
 When they do the refreshments for parties and receptions.
 In overall charge will be Rosemary Benson,
 A qualified coach and very capable person
 So if you want any advice you just have to ask
 I'm sure she won't mind being taken to task.
 I could write a lot more in praise of the hall
 But there isn't the room so I just thank you all
 For being a part of a very good team
 That's helped in fulfilling a wonderful dream.
