

FIFIELD VILLAGE HALL

Our Coffee Morning in April at Fifield House was well supported and we enjoyed Guthrie Piggot and Martin White's presentation of the research, to date, in connection with our History Project. This was a repeat performance, by popular request, and gave a focal point to a very happy morning. Many thanks to Guthrie and Martin, to Mrs. Cameron our hostess, and to everyone who made and bought the cakes, sale of which raised over £100 for Hall funds.

The year's summer programme continues on 4th July with an afternoon Garden Party at Hillside, courtesy of Susan and Robin Hill. There will be cakes, cookies, plants, books as well as bring & buy – and, of course, cream teas! Do come and support us.

If you'd like a copy of our bookmark with dates of other events planned for the year, please ask a member of the committee.

WYCHWOOD BOWLS CLUB

The Bowls Club opened the season on Sunday 26th May with new and previous members attending the get together. With the weather being so wet in April we were not able to have the usual practice roll-up. Members paid the subscription which is £22.50 for the year with £1.50p per game which includes a very good tea.

We also have our own club competitions which members can enter if they wish, also some members of the club play for the county and enter the county competitions in which some members have done very well. Every member has a choice of entering these competitions if they are competitive, or just have a friendly game at the club, which for those who do not know is behind the Shaven Crown in Shipton.

We do need more new members to keep the club going in the future. Everyone will be made welcome into our friendly club from any of the surrounding villages. The club has practice evenings Tuesday and Thursday and if there are no matches being played there are three members qualified to help new people learn about the game.

Anyone can contact me on the number below or our captain Alan Bower on S.u.W. 830676 who among other things, organises a friendly roll-up on a Monday afternoon, weather permitting, at 2-30pm.
