

Wychwood Handicraft Society

Wychwood Handicraft Society members and their friends recently knitted squares for the Thames Valley FM appeal for Children's Aid Direct. Twelve blankets were produced and taken to the Studio in Oxford. The blankets were part of a 20,000 appeal to send to kindergartens and nurseries in North Korea, Azerbaijan, Kosova and Liberia. For anyone interested, Wychwood Handicraft Society meet every fourth Tuesday in the month (except July and August) in Milton Village Hall at 7.30 p.m.. Our speakers are varied and always interesting. We also have a display in the library window during the week prior to the meetings.
