

The New Beaconsfield Hall Shipton Under Wychwood

The New Beaconsfield Hall is now officially open! What a memorable day Saturday, 4 July 1998 was for the residents of Shipton under Wychwood. They turned out in their hundreds, each armed with a pair of scissors, to cut the ribbon around the hall. The band played, the statues posed and the usual crowd surrounded the white elephant stall. The management committee are exceedingly grateful to all those who contributed, helped and supported the occasion.

Now that this wonderful facility is complete please use it. Details of what is going on in the hall are listed below and also posted on the village notice boards. There will be something for everyone but if you have any suggestions please contact Rosie Benson at the hall (832216) or me (830306).
