

Congratulations to Greg and the other winners. Prizes were donated by Giles Sports of Carterton and the Lawn Tennis Association. Greg was also presented with the Wychwoods Tennis Club Junior Cup (last presented in 1969!). Altogether this was a very successful event and one, which I hope, will be able to continue for years to come with the development of the Wychwoods Tennis Club.

Autumn Term Activities. If you haven't already been to the hall to see what's on this term here's a run down of what's going on up until the Christmas Holidays:

Loxleys School of Dance at the New Beaconsfield Hall.

Following participation in a successful dance and stagecraft week in August, Lindsay Kendall, a new resident in Shipton, was impressed with the new hall and encouraged by the participation of local youngsters. Lindsay is both a professional teacher and dancer. Graduating from the Bush Davis School she danced with Lionel Blair & the Black and White Minstrels, once famous on TV. She has established successful schools in the UK and abroad and was Principal of a studio in Dover, rising to over 300 students in ten years. The studio was widely acknowledged for its success, both in the accomplishments of pupils and participation in the community and local government events.

The first purpose is to discover what the local community needs and provide it, where possible. Lindsay approaches dance as a medium for self-fulfilment and development of the individual within the community, whether as a hobby or formal study. Whatever, it should be fun.

Once the school is established it is intended to run shows to demonstrate what has been learnt and participate in local events such as fetes. Pupils will also be prepared for exams where desired. Lindsay has enjoyed an excellent reputation in this regard, in the last set of results at her previous school in Slough, 100% passes were achieved.

For those interested, please phone Lindsay on 01993 830882.
