

## **Fifield Village Hall**

The Coffee Morning in April raised £80 for Hall funds and the Committee would like to thank Mrs. Keith Cameron for inviting us to Fifield House and making us all so welcome. We should also like to thank Jean Rose for sharing her flower arranging expertise with us in May. Her tips should come in useful when we decorate the Church as part of the "Fifield at Home" fete on 26th June.

One of the Village Hall Committee's contributions to this event, run jointly with the PCC and Recreation Ground Committees, is to sponsor the Raffle, tickets for which will be on sale ahead of the day. Along with many others round and about the Cotswolds, we are hoping for a fine day but we shall be looking into the possibility of a wet weather programme. So if it's anything other than a downpour, give Rachel Cappuccini a call on 832199 to see what's happening.

Our August barbecue has become a popular fixture on the local calendar and we will be holding it this year at "Sunny Bank" once again. All residents, past and present, of both Fifield and Idbury are most welcome to join us and details will be passed on as soon as they are available.

## **Shipton under Wychwood W.I.**

Shipton is fortunate in having a thriving Women's Institute whose members enjoy listening to interesting speakers, going on outings and theatre trips, having discussions and getting together with other W.I.s in the area.

This year our speakers' subjects range from Container Gardening to Crime Prevention, Land Girls, Life on the Ocean Wave, Encounters with Owls and much more. In June Dr. C. Mould will be conducting us on a tour of the Oxford Colleges.

We meet in the Beaconsfield Hall in Shipton at 7.30 p.m. on the second Thursday of every month and new members are always assured of a very warm welcome.
