

## TWINNING NEWS

During the weekend of 16th 17th and 18th April a party of French visitors arrived in the Wychwoods as part of the continuing development of the Twinning Association. The specific focus of the week-end was the visit of the Football teams from Venansault's under 11 and under 14 sides.

The junior of the two played in a seven-a-side match (won by Venansault 1 - 0 ) and the senior side played a full match and after a close fought game Milton boys won 3 - 2. Both of the games were played in a tremendous spirit and reflected much credit on both sides. All players were presented with commemorative medallions and certificates by the Presidents of both Milton Boys F.C. and Venansault Boys F.C. (Mr. Arthur Hunt and M. M. Barotin).

Other activities over the weekend included a buffet party for some 130 people which was held in the Wychwood School Hall, a trip to Stratford-upon-Avon, together with many smaller gatherings and family activities.

The success of the weekend was due to the enthusiastic support of everyone involved, but without the contribution made by the Wychwood Boys the weekend would never have reached such heights as it did.

There are already indications from Venansault that the weekend was a huge success and a reciprocal visit is anticipated before long.

If any newcomers to the Wychwoods (or anyone else who may be interested) would like more information about the twinning, they are invited to contact the Chair, Martin Hallam, on 01993 - 830015.
