'Turning Point'

A Cancer Support Group using
guided imagery, meditation and art

Turning Point is a small, friendly, therapeutic group that meets weekly in Witney, for people with a cancer diagnosis. It is run by Roger Bryant, a qualified counsellor and psychotherapist, and aims to provide people with an opportunity to work with what is happening to them.

If you would like more details please phone Roger on 01993 704345. The only cost involved is a small charge to cover the hiring of the room.

From the Pennant-Rea Family, Heath House, Milton

There was a fire in our house on June 1st. Few people in Milton and Shipton could have missed the sight and sound of the nine fire engines rushing to the scene from as far as Oxford and Stow. The fire crews put out the flames very quickly, and went to great trouble to carry personal and precious things clear of the smoke and water.

To all of them, to the Coombes and the Strutt families, and to many others in Milton who came to help and have been so kind, thank you. Without you all, the outcome would have been far worse.
