

WYCHWOOD LIBRARY

The future of the Wychwood Library has now been decided and I am able to confirm that the Cultural Services Committee has agreed to pursue the development of our present site. There is still a lot of assessment and planning to be done, but we know that the future of the library is safe.

The library has been very busy and 'World Book Day' held in April turned into a two day event so that the demand for story times from the Play Groups, Nursery Classes and Primary School could be satisfied. Following this term's visits further story times have been arranged for the summer holidays.

1. Tuesday 17 August
2. Thursday 26 August

There is a new competition 'Safari Reading Scheme' where the children will be rewarded for the books they read and a certificate presented to those who complete the scheme.

Our book selection is continually updated so there are titles for all tastes. We have inter-library circulating collections, books on cassette for the partially sighted and videos for hire. New readers are always welcome and we are always pleased to see our regular readers. Statistics are still important and are monitored each month. We keep records of people coming to the library and the number of books issued. For a small fee we can get any special requests you might have.

Library Opening Times are:

Monday	2pm to 5pm	6pm to 7.30pm
Wednesday	10am to 12	2pm to 5pm
Friday	2pm to 5pm	6pm to 7.30pm

Beryl Brown, Library Manager. June 1999

SHIPTON u WYCHWOOD
