

## **Wychwood Primary School.**

Once again this summer we ran a holiday club. This year the theme was the Wild West and as you can see from the photograph many of the children dressed up for our final day. Activities the children took part in were swimming, games, making Indian headdresses and other items to use toward their costumes, pony rides and a bouncy castle. They built two totem poles and painted a canvas for a wigwam. The children all seemed to enjoy their week and went home asking "What will the theme be next year?"

### **Parent Teachers Association.**

Please look out for posters with details of forthcoming events. These will include a Children's Fashion Show, our Annual Firework Display with family disco (6th November), Christmas Bazaar and maybe a Wine Tasting Evening.

### **Paper Collections.**

We would like to thank everyone who keep saving their newspapers for us. Occasionally we do get hiccups when collectors cannot make the collections at short notice, but we do try to make sure no one is missed. We would also like to thank those who take their papers straight to school. We do not get as much money for them as we used to but we did receive £280.00 last quarter. This money is used for classroom equipment which benefits all the children in the school.
