

The ladies were not left out of the glory, Mavis MacVickers went through in two county finals. In the singles she played Kathy Hawes an experienced international, and in the two-wood came up against Eileen O'Shea both very experienced county players. Unfortunately Mavis was runner-up in both but by reaching the final secured a place to play in the national championships at Leamington in August. Mavis did not win at Leamington but was pleased to have represented Oxfordshire. Last but not least was Colin Pearce who went through the rounds in the county competitions to beat H. Franklin at Oxford City/County ground in the final and win the Longford Cup. Congratulations to each one.

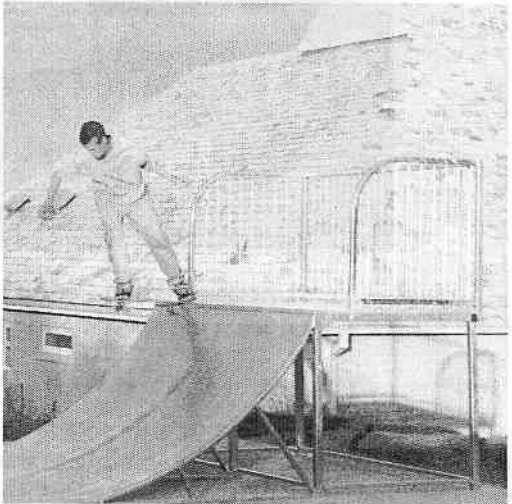

Wychwood club has about 30 members, a small club compared to others and do play to a high standard so anybody who may be interested in joining may be encouraged by the success this year. The annual dinner will be held at the Lyneham Golf Club when the trophies will be presented to the club competitions winners and runners up. If you are thinking of a new interest in the year 2000, join us next season at the club behind the Shaven Crown.

S. Cambray (Sec).

The short mat starts again on Tuesday 29th September at the new Beaconsfield Hall at 7.30 p.m.

Malcolm Cochrane and his helpers opening the new skateboard facility at the Beaconsfield hall.

Airborne!

One of the very satisfied 'boarders.
