"Shipton Steps Through Time"

is the theme for this year's Shipton Fete to be held on Saturday, 8 July 2000 at 2 pm at The New Beaconsfield Hall.

The aim is to make the fete this year especially memorable. There will be bigger and better stalls, more sideshows and a wealth of attractions. It is hoped to have a fancy dress parade from the village green to the new hall using any wheeled form of transport (prams, push chairs, wheelie bins, bicycles, skateboards etc.) decorated to represent any age past or future. Further details will appear in the next edition. If you would like to have a stall or sideshow at the fete please contact **Margaret Hartley on 830306.**

FIFIELD VILLAGE HALL

Our tiny village hall hummed one evening in February when we held our Mid Winter Warmer supper – and forgot the chilly weather outside. This was a joint event with the Village Hall and Recreation Committees sharing the funds that were raised.

On the recreation ground the first results of their fundraising are visible and, when the whole programme is completed, it will be worth all the energy and effort that has gone in to making the project possible.

There will be a small coffee morning at Merryfield on Saturday 15th April – but the chief event, this year, will be a second "Fifield at Home" on 10th June to which everyone is most welcome.
